CHALLENGE #1: RECONNECT AND CREATE A SAFE SPACE

Feeling connected to friends, family, and our community can be a protective factor for suicide. As we reenter and rebuild the fabrics of our daily life that were disrupted, reconnecting with supportive relationships and practicing positive coping skills is essential for our emotional well-being. Use this time to each out to someone in your life and let them know that you are comfortable to talk about anything they need, including suicide, and should they ever come to a point where they are questioning their reasons for living, you will be there to listen and support them. Creating this safe space at a time when there is no crisis is one way we can play a role in suicide prevention.

CHALLENGE #2: FIND THE (CROSS) WORDS

Download the "Know the Signs - Find the Words - Reach Out" Crossword Puzzle and try to solve all of the clues. Take a picture of the solved puzzle and post it to your social media with these hashtags: #SuicidePrevention #Crossword. Interested in other activities? Check out Trivia and Bingo.

CHALLENGE #3: LIKE & LEARN ABOUT A SUICIDE PREVENTION RESOURCE

Familiarize yourself with a suicide prevention resource. Visit their website or their social media page and like, share or comment to show your support for the work they do. Find a list of resources here, or visit the website or social media page of your local county behavioral health agency. Many list local resources, training opportunities and events!
